SYMI MARINA
 BY FYLY YACHTING and MSI Hellas

INTRODUCTION

The Pedi Bay Marina is a safe haven nestled in the PEDI Bay of Symi Island. A berthing shelter intended to accommodate sailing & motor yachts as well as various vessels of up to 30 m. It offers essential mooring services in an isolated and well-protected location for privacy with surrounding boutique studios accommodation, restaurants at close range and outdoor activities such as swimming, diving/scuba diving, SUB/wind surfing, sea kayaking, water sports, private tours, fishing, rock climbing and hiking for short stays on route.

It was inaugurated on the 18th of September, 2021 and is operated by FYLY YACHTING & TRAVEL and MSI HELLAS.

THE MARINA - LOCATION

The Marina is situated on the island of Symi, the 8th largest of the Greek Dodekanisos islands in the Aegean Archipelagos, 22n.m NW of Rhodes, 264n.m from Piraeus port, approx. 27n.m east of the Isle of Nisiros and 3.7n.m off the Turkish coast.

The island of Symi is a popular tourist destination. It is strategically located and famous for its historical town and port, surrounded by colorful neoclassical houses, natural beaches and bays, annual music festivals and local hospitality, traditional Greek island cuisine as well as its 18th century Monastery of St. Panormitis, a major Greek Orthodox pilgrimage site with a Byzantine museum. It is also known for its unique shrimps, a variety of shellfish solely fished in the Symi bay and a popular pan fried local dish.
